72.02 Estate tax imposed. An estate tax is imposed upon the transfer of all property that is subject to a federal estate tax and that has a taxable situs in this state. The tax imposed is equal to the federal credit against the federal estate tax as finally determined. If only a portion of a decedent’s property has a taxable situs in this state, the tax imposed is the amount obtained by multiplying the federal credit by a fraction the numerator of which is the value of the decedent’s estate that has a taxable situs in this state and the denominator of which is the total value of the property in the estate that qualifies for the federal credit.

Documents and payments that are not mailed are timely if they are received on or before the due date by the department or at the destination that the department prescribes.

72.11 Subjects liable. (1) RESIDENTS AND NONRESIDENTS. A tax is imposed upon any transfer of property to any distributee in the following cases:

(a) When the transfer is from a person who dies while a resident of this state.

(b) When the transfer is of property within the jurisdiction of this state and the decedent was not a resident of this state at the time of the decedent's death.

(2) EXCEPTION; RECIPROCITY AS TO NONRESIDENT DECEDENTS. A transfer, which is made taxable under this chapter and is of a nonresident decedent's intangible personal property is not subject to the tax imposed by this chapter if a like exemption is allowed at the time of the death of the decedent by the laws of the state, territory or district of the decedent's residence in favor of residents of this state. This subsection does not apply unless a tax is imposed on the transfer of the decedent's property by the laws of the state, territory or district of the decedent's residence.

History: 1971 c. 307, 310; 1973 c. 90; 1987 a. 27 s. 3200 (47); 1991 a. 316.

72.21 Personal liability. (1) Each personal representative, special administrator, and trustee of a trust in existence and containing property on the date of the decedent's death, is severally liable for the tax imposed by this chapter, with interest, to the extent of the clear market value of all property under the control of that personal representative, special administrator or trustee, the transfer of which is subject to this tax. This liability extends to all taxes due under this chapter on all transfers to a distributee, and is not limited to the value of transfers of property in the control of the personal representative, special administrator or trustee.

(2) A trustee of a trust which comes into existence after the decedent's death and a distributee are liable for the tax imposed by this chapter, with interest, only to the extent of the clear market value of property transferred to the trustee or distributee.

72.225 Installment payments; closely held businesses. (1) If a percentage of the federal tax on an estate may be paid in installments under section 6166 of the internal revenue code, the same percentage of the taxes under this chapter may be paid under the same installment schedule if written notice of the election to pay in installments is given to the department within 9 months after the decedent's death. The provisions on acceleration under section 6166 (g) of the internal revenue code apply to payments under this section. The interest rate on payments is 12% and is calculated from the date of death.

(2) Upon the filing of a notice under sub. (1), distributees of real estate shall provide the department a certified copy of a lien for unpaid taxes and interest on the property to secure payment, and shall record the lien in the office of the register of deeds of the county in which the property is located. Distributees of personal property, upon the filing of a notice under sub. (1), shall either provide a lien or provide the department a financial guarantee bond equal to the estimated tax and interest elected to be paid under sub. (1) to secure payment if the tax has not been determined. Upon determination of the tax, distributees of personal property shall provide a lien or provide a financial guarantee bond sufficient to secure payment of the tax and interest or pay the department the excess over the amount of tax and interest secured by the bond. The department may accept a lien affecting only part of the property if there is sufficient security to secure payment of the tax. Any

distributee who fails to provide the security required under this subsection or who disposes of one-third or more of the property on which the tax is secured under this subsection, shall pay the tax in full.

If any payment of tax or interest under s. 72.225 is not paid when due, the tax and interest due shall be paid upon notice by the department.

If 2 or more courts are entitled to exercise jurisdiction, the court first acquiring it retains exclusive jurisdiction.

(2) NONRESIDENTS. The circuit court of Dane County has jurisdiction to hear and determine all questions relating to the determination and adjustment of the tax imposed by this chapter, if a tax appears due because of the death of a nonresident decedent and in which it does not otherwise appear necessary for regular administration. If a nonresident dies possessed of real or tangible personal property located within this state, the circuit court of the county in which the property is located shall have concurrent jurisdiction with the circuit court for Dane County.

uneven number of arbitrators. Parties to the agreement shall select the arbitrators.

(2) POWERS OF THE PANEL. The panel may administer oaths, take testimony and subpoena witnesses and the production of books, papers and documents. Subpoenas may be issued by any panel member.
